

March 1st, 2010

The Honorable Larry Cretul
Speaker
Florida House of Representatives
420 The Capitol
Tallahassee, Florida 32399

RE: Representative Ron Saunders (District 120 – Key West)

Dear Speaker Cretul:

By this letter, I hereby file a complaint against Representative Ron Saunders, representing House District 120. I believe Representative Saunders has, on numerous occasions, submitted false travel reimbursements and accepted campaign contributions during a Legislative Session in violation of various rules and laws.

At issue is the violation of several specific Rules or Statutes, including Chapter 11, Florida Statutes, providing for reimbursement of the travel expenses and subsistence for members of the Legislature; Chapter 112, Florida Statutes, providing specific criteria for the payment of mileage and per diem; and Rule 15, “Ethics and Conduct of Members”, The Rules of the Florida House of Representatives Rule, requiring that Representatives conduct themselves with integrity and prohibiting the receipt of campaign contributions during any Legislative Session.

A review of Representative Saunders’ State of Florida Vouchers for Reimbursement of Travel Expenses, Intra district Expenses Travel Reports and Campaign Treasurer Reports indicates that Representative Saunders requested reimbursement for travel expenses from more than one source for the same travel and his claimed per diem amounts for which he is not entitled. Examples of double reimbursement and excess per diem claims follow:

On May 15, 2007, Representative Saunders’ Travel Voucher states that he returned to his district from Tallahassee at 5:01 PM. However, Representative Saunders’ also claims that on May 15, 2007 he traveled from Tavernier to Key West to speak at an affordable housing meeting, leaving Tavernier at 10:00 AM and returning at 3:00 PM. Representative Saunders was paid for both

the expenses claimed on the Travel Voucher and the expenses claimed on the Intra district Travel Report. Clearly, Representative Saunders cannot be in two places at once.

On August 26, 2007, Representative Saunders' Travel Voucher reports him leaving Tavernier for Tallahassee at 5:00 AM, returning to his District at 5:00 AM on August 30 2007.

Representative Saunders claims both mileage and per diem for his travel. However, Representative Saunders' campaign treasurer's report shows campaign related travel for August 27th and 28th, 2007. Fuel was purchased in Islamorada, Key Largo, Ocala, Ellenton and Homestead. It must be determined if Representative Saunders', on this and other occasions, claimed per diem for days he was not traveling on State business, or whether he claimed reimbursement from the State for mileage and also sought reimbursement for the same expenses from his campaign funds.

On September 9, 2007, Representative Saunders' Travel Voucher reports him leaving Tavernier at 5:00 AM headed to Tallahassee. He reportedly spends several nights in Tallahassee, returning to Tavernier at 5:00 AM on September 13, 2007. Representative Saunders claims both mileage and per diem for this trip. However, a review of his campaign treasurer's reports shows that on September 10, 2007, gas was purchased in Punta Gorda, Florida and on September 11, 2007, gas was purchased in Ocala, Florida. A review must be conducted to determine if Representative Saunders, on this and other occasions, inappropriately claimed excess per diem. The full per diem rate of \$80.00 is to be paid only when a Representative spends 24 hour period traveling on State business (midnight to midnight). If Representative Saunders was conducting campaign business during the time he was being paid the per diem amount, he should have noted this on his Travel Voucher and claimed a lesser per diem amount.

Additionally, Representative Saunders, while entitled to mileage reimbursement for his travels between his home district and Tallahassee, is under an obligation to seek reimbursement only for "actual travel between the legislator's home and the seat of government" (Florida Statutes Section 11.13(2)) It must be determined if Representative Saunders was paid for his "actual travels" between his home district and Tallahassee, or for all of his travel from his district to Tallahassee including campaign stops in parts of the State (for which his campaign should be paying and during which time he is not entitled to a per diem).

In addition, Representatives are entitled to a Session Subsistence for the time spent in Tallahassee for Legislative Session. Representatives are required to report their whereabouts via Travel Vouchers to prove that they are entitled to the full Session Subsistence. Representative Saunders' Travel Vouchers show that he was in Tallahassee March 17, 2008, but his campaign treasurer's report shows an expense for a rental car in Fort Myers on April 1, 2008.

House Rule 15.3 prohibits Representatives from accepting campaign contributions during any Regular, Extended or Special Legislative Session. A review of Representative Saunders' campaign contribution report shows that he accepted two campaign contributions on June 13, 2007 (Special Session), one campaign contribution on October 3, 2007 (Special Session) and ten campaign contributions on March 4, 2008 (Regular Session).

Enclosed with this complaint are copies of documents referenced above, together with additional documents which illustrate that the actions of Representative Saunders are not isolated to these instances. I believe a complete review of Representative Saunders' travel reimbursement and per diem requests together with his Intra district account and campaign treasurer reports must be conducted so that the integrity of the House and its members may be preserved.

If you need anything further or have any questions, please contact me.

Sincerely,

ORIGINAL SIGNED

Jake Barnes
